Description of Program	<p>Safe Place is a highly successful national program and has provided a vital service to over 129,000 youth across the country since its 1983 inception. Safe Place provides access to immediate help and supportive resources for all young people in crisis through a network of sites throughout Payne County. A site is designated as a Safe Place with a distinctive yellow and black diamond-shaped sign/decal, which youth recognize as a safe place to go for immediate help and support. In turn, PCYS or law enforcement is contacted and the young person is taken to a safe place.</p>
