FY2017 PROGRAM HIGHLIGHTS

FOSTER CARE PROGRAM DELIVERING ON PROMISE

In March 2015, PCYS became a Foster Care Program provider. The Foster Care program of PCYS is in its second year of the program and has expanded to 8 certified foster homes which can provide up to 16 children. Ongoing recruitment, training and support continue in this dynamic program serving our community with exemplary services and outstanding initial and ongoing support. Our program has maintained placements and kept siblings together.

PROGRAM CONTINUES TO MAKE A BIG IMPACT

The Payne County Youth Services Transitional Living Program continued with 8 adults and 1 child placed in apartments. Clients pursue educational and employment goals as well as receive individualized case management, counseling, and supportive services. Our program will be expanding to serve 3 counties in 2018.

NATIONAL SAFE PLACE WEEK CELEBRATED

PCYS celebrated National Safe Place week from March 19-25, 2017. Safe Place is a nationally acclaimed outreach program that makes help readily available to young people in crisis. Payne County Youth Services has operated the Safe Place program for Payne County since 1996. Payne County currently has 59 Safe Place sites and 25 OSU buses that carry the Safe Place sign. Should a young person feel that they are unsafe, they can access services for themselves by going to a Safe Place site or by calling the Payne County Youth Services Shelter and accessing the Safe Place program. PCYS would like to thank our Safe Place sites for their support and dedication to the Safe Place program and the youth and families of our communities. Safe Place presentations reached 9,575 children and youth during the school year.

FY2017 COMMUNITY EDUCATION/DEVELOPMENT HIGHLIGHTS

CHILD ABUSE PREVENTION MONTH—APRIL

PCYS helped raise awareness about Child Abuse Prevention this past April. The agency hosted a blue child (artist representation of an abused child), which was a conversation starter for many, and enabled the agency to provide statistics about Child Abuse, as well as share information about prevention.

“MORE ALIKE THAN DIFFERENT”

The 9th Annual Voices of Today Art, Poetry, and Photography Contest was held with 110 participants. The theme for this year's contest was "More Alike Than Different". Participants explore and refine skills and talents, receive positive feedback and express thoughts and ideas in positive, age-appropriate ways.

3 YEAR CARF ACCREDITATION

Payne County Youth Services was honored to once again host a CARF Accreditation team and ultimately received another 3 year accreditation term. CARF International, or the Commission on Accreditation of Rehabilitative Facilities, certifies the PCYS Outpatient Counseling services, as well as administrative practices within the agency.

VOCA INCREASE

Serving Victims of Crime is something that Payne County Youth Services has done well for over 45 years. This year the VOCA grant award was increased significantly to \$417,777, which will allow PCYS to expand victim services. Thanks in part to recognition by the federal government that victims' services have been historically underfunded, additional monies were made available and passed to the states. VOCA funds are administered by the State of Oklahoma through the Oklahoma District Attorney's Council.

STILLWATER MEDICAL CENTER

PCYS received a grant from Stillwater Medical Center in the amount of \$20,000. This grant supports crisis intervention, counseling and sheltering clients referred from Stillwater Medical Center and the Stillwater Medical Center Physicians, as well as the general operations of the organization. PCYS is excited to have this financial support. We have worked hand-in-hand with SMC for many years in caring for our children, youth and families. Both PCYS and SMC strive to meet the needs of our communities. Whether it be residents of our shelter or those with mental health needs, our collaborative efforts create a safety net for those in crisis. We are very grateful to SMC for supporting our work.

FAYE ALLENE RIFE BROWN FOUNDATION

PCYS received a grant of \$20,000 from the Faye Allene Rife Brown Foundation. Strict guidelines and integrity of the granting process by the Brown Foundation add to the honor of being once again selected for this grant. As state and federal funds diminish, support from local communities continues to become more essential to continue to provide free, high quality services to children, youth and families.

STILLWATER RESILIENCY

PCYS signed up as one of the core agency's for the Stillwater Resiliency and ACES Initiative, working with community partners to bring awareness and statistics to increase awareness of trauma in the community. PCYS is proud to be a part of the Resilience Initiative Steering Committee.

UNITED WAY DAY OF CARING

September 2017 marked the 22nd Annual Day of caring for the United Way of Payne County. Payne County Youth Services, a proud United Way agency, was happy to help by sending a work crew of staff to complete yard work for a Mobile Meals client.

Staff member groups from Stillwater Medical Center, Payne County Master Gardeners, and OSU Research Office volunteered at both PCYS locations, providing many hours of paintings, repairs, redecorating and remodeling. Thank you to Stillwater Medical Center, Payne County Master Gardeners, OSU Research Office, and United Way for all of your hard work!

GENEROSITY OF THE GREENWOODS

Michael and Anne Greenwood provided a donation of \$10,000 to United Way to benefit PCYS. This United Way level of giving as a Tocqueville level Leadership Giver level is a significant gift to both United Way of Payne County and to PCYS!

ELITE REPEAT

Elite Repeat, an upscale resale shop in Stillwater, continued its generous support of the programs of PCYS by increasing their funding to \$3,500 per month. Additional support includes grants for special projects and donations of clothing and household items to PCYS program participants.

Elite Repeat solicits donations of items from the community and then awards grants to local non-profit organizations. A critical partner to PCYS, Elite Repeat provides a unique shopping experience at great rates to customers while providing cash and in-kind donations to PCYS. Support such as this assists PCYS to bring additional state and federal dollars to our community.
