

PCYS Happenings

Message From PCYS Executive Director

We are approaching the end of our *45 Days of Giving* Digital Campaign which kicked off in February at our 9th annual *An Evening to Remember* event. This is an exciting addition to our outreach to our donors

There is still time for you to be a part of this groundbreaking strategy for PCYS, and it could not be more easy! In fact everyone can continue to help with this campaign by simply going to the PCYS website at www.pcys.org and our Facebook page and share and email the campaign information to all of your contacts. You can also go to our Facebook page or website to have your donation matched by one of our many generous community donors!

The multiplicity of social media is one of the great opportunities for people who may have never supported us before to get involved. Continue to be looking for new information each week with new videos, graphics, and statistics to help understand the nature and critical need of our services. Be sure to look for videos from many of our supporters.

We are very grateful to all who helped to make our event a huge success and to those who are ensuring our *45 Days of Giving* will make our goal of \$25,000.

We are particularly grateful to our Event Presenter, Enbridge. Please be sure to look on in this newsletter to find a list of our sponsors and others who have made

this campaign possible.

But wait! We are not yet finished just yet! You are also invited to be a contestant in our first BBQ Cook-Off, *Ribs and Racquets*, co-sponsored by OSU Tennis!

After supporting our Cowgirl's Tennis match against Texas Tech on Sunday, April 15th, come to the parking lot immediately to the South of the Michael and Anne Greenwood Tennis Center and enjoy a BBQ Cook Off with ribs provided by Texas Roadhouse and hot dogs provided by RCB Bank!

Thank you to everyone who continues to support PCYS as we proudly serve the community of Payne County.
