

Payne County Youth Services is proud to offer

SAFE SITTER

babysitting classes!

- Classes can be taught in person* or online**!
- Participants should be in the 6th grade or higher (but do not have to attend public school).
- This class is completely FREE! (...just like all services from PCYS!)
- Students will learn:

Safety Skills

Childcare Skills

First Aid Skills

Business Skills

Contact us today to schedule a class!

405.377.3380 / PCYS.ORG / kims@pcys.org

*In person classes will not be available from time to time depending on public health concerns. In person classes will be held outside whenever possible and will **require** social distancing and facial coverings for the entirety of the class. In person classes will be limited to 4 participants if the CPR component is taught to allow for proper sanitation of equipment.

**Online classes will not include the CPR component of training and will require the student to pick up class materials prior to the date class is to take place. Online classes will require the student has access to required technology and the Zoom app.

Learn the skills you
need to babysit with
